Our latest lock up time is 2330

Maximums:

Seated dinner: 80

Theatre-style: 90

Standing reception: 120

Fire limit: 137

Event management & cleaning

Our standard cleaning fees cover, toilets and floors tidy and to keep our costs down, our standard rental includes clients being responsible for managing their own events: setting out the venue as required and leaving the site in the same state in which it was found, including cleaning where necessary. All rubbish and recycling to be removed from site by client. Rubbish collection can be arranged by the Museum at extra cost.

Caterers or a 3rd party event manager may be engaged to carry out all the above instead of you, but we require notice of who will be responsible.

Payment Terms

On booking: Deposit & 50% of hire fee

2 weeks before event: balance 50% of hire fee

VAT

The museum is VAT Reg: 361 1166 28 Company Reg: 024 888 77. Please note, all prices are subject to VAT.

Cancellation charge for hire:

- 2 months or less: 25% of room hire
- 1 month or less: 50% of room hire
- 2 weeks or less: 85% of room hire
- 1 week or less: 100% of room hire

Cancellation charge for catering:

- 50% of the total cost

Please note that cancellations must be made in writing or email and then confirmed by the museum before they are operative.

What if we have to cancel because of COVID-19?

If the current government guidelines change or we are required to close the venue for any other reason, you will be notified immediately, and we will endeavour to find a suitable alternative date.

Noise

We like our neighbours, and they like us! To be fair to them, we have a sound limit of 85dB measured outside the building with the shaft door closed. The decibel level will be regularly monitored throughout the evening by our staff.

Toilets

The following toilets will be available for use in the lower floor of the museum. Additional toilet facilities can be hired in by the client.

- 1 cubicle for ladies/accessible
- 1 cubicle/2 urinals for men

Accessibility

As an historic site, we are currently restricted in our accessibility to those of limited mobility.

- Access to the floor of the Shaft is by 3 flights of stairs down, with no lift. A viewing platform at the top is accessible by wheelchair users.

Fire Safety

Before the start of your event, you will be briefed about site evacuation procedures. You will need to nominate two or more people to be in charge of fire evacuation procedures to attend this meeting.
